
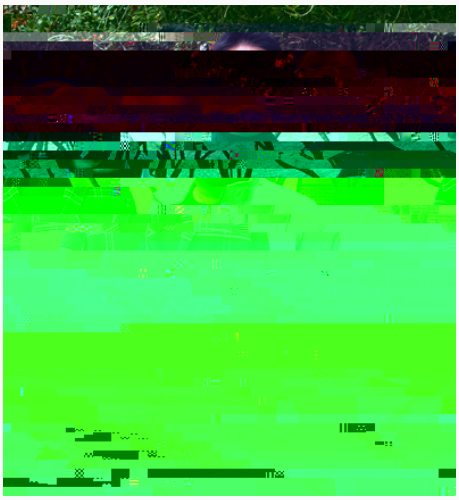
GRAND CHALLENGE WINNERS



Congrats to Office of Research Grand Challenges winners Honghui Xu, Nazmus Sakib, Paola Spoletini & Maria Valero, Xinyue Zhang & Nasrin Dehbozorgi. Whether they're using mHealth to improve assessment of pediatric sickle cell disease or creating apps to support relationship building, our researchers are making the world better.

CELEBRATION OF YEARS OF SERVICE

Cheers to Dean Sumanth [illegible], Professor Su [illegible]
