

Fall 2023 Newsletter

Greetings,

Welcome to a new academic year. I am happy to welcome Dr. Adrian Beorchia, Dr. Juanne Greene, Dr. Chitalu Adams, and Professor April Sledge to the team. Also, a hearty congratulations to Deborah for being appointed as the Director of Online Programs at the Coles College of Business. We are expanding our program offerings through transforming their business ideas into reality. The new hospitality major and the MEBUS minor are growing and the industry engagement in those programs is impressive. The MEBUS program was named as the TOP Music Business Program by Billboard Magazine for the 5th time in 2023. With all these great developments, it is a great time to be at the Leven School.

I will encourage you to please participate in the events below, being organized by the school and other events at Coles College. Your participation is what makes these events successful. Thank you and we look forward to a successful Fall semester!
